

What Is SmartShopper?

Get the facts about medical costs in your area – and earn money, too! SmartShopper is a confidential, voluntary program that tells you the prices charged by medical providers near you. If you choose a cost-effective provider for your medical service, you can earn a cash reward ranging from \$25 to \$500. SmartShopper is available to all enrollees who have a HealthTrust medical plan (except for Medicomp Three).

What Do I Do?

When your doctor refers you for a blood test, screening, surgical procedure, physical therapy or other service, remember to **“Look before you book.”**

- **Log in** to your secure online account at www.healthtrustnh.org. (If you don't have an account and you are enrolled in a HealthTrust medical plan, you can create one by clicking the “Secure Login” button on the home page, then “New User” and following the prompts.)
- **Shop:**
 - **Online.** Click the SmartShopper button, then “Shop for Service” and follow the prompts. You will see a list of providers in your area and how much they charge for the medical service you need.
 - **By phone.** Call 800.824.9127 to speak with a SmartShopper customer service expert.
- **Shop before your medical service.** You can shop as late as the day of your service, as long as you shop before the appointment.

How Do I Qualify For a Reward?

If you have your procedure at a cost-effective provider, you will receive a reward check in the mail after your claim is processed. There is nothing more you need to do!

For a list of eligible medical services and the rewards you could earn for each, please turn over this flyer.

Program is subject to change without notice. Medcomp Three-covered retirees are not eligible for the SmartShopper program. Please note that individuals will be presented all incentive options EXCEPT when the second and/or third option is 50% higher than the most cost-effective option in the area. In this situation, only the top incentive will be offered. For certain inpatient procedures, only one incentive option is provided. All shopping needs to be completed before services are rendered either by calling or logging in to your secure account at www.healthtrustnh.org and clicking the SmartShopper button.
